INFORMATION DISCLOSURE STATEMENT

S I R:

In order to comply with discretionary regulations 37 CFR 1.97 and 1.98, attached hereto is a copy of Form PTO-1449 and copies of the non-US documents (if any) listed thereon. These documents contain information which the Examiner may consider to be important in deciding whether to issue a patent in the instant application.

For documents written in a language other than English, English language abstracts and/or explanations are annexed thereto explaining relevancy in accordance with 37 CFR 1.98(a)(3).

Attached is a copy of a Chinese Office Action dated November 3, 2006 for the corresponding Chinese Patent Application 200380100591.X, with translation. The report references three documents, U.S. 6,253,218, WO 98/14863 and U.S. 2002/0075322, which were previously submitted in an IDS mailed on October 8, 2004.

The present Information Disclosure Statement is being submitted in compliance with 37 CFR 1.56 as an Examiner might consider any cited document important in deciding whether to allow the application to issue as a patent, but the citation of each document is not to be construed as an admission that such document is necessarily relevant or prior art. No representation is intended that the cited documents represent the results of a complete search, and it is anticipated that the Examiner in the normal course of examination, will make an independent search and will determine the best prior art consistent with 37 CFR 1.104 (a), and in the course of such search will review for relevance every document cited on the attached form even if not initialed.

Each item of information contained in this information disclosure statement was first cited in a communication from a foreign patent office in a counterpart foreign application, not more than three months prior to the filing of the information disclosure statement, and therefore applicants respectfully submit that no fee is due. However any fee determined due with this paper maybe charged on Deposit Account 50-1290.

Early and favorable consideration is respectfully solicited.

Respectfully submitted,

Brian E. Hennessey
